

# SUSTAINABILITY POLICY

VINCI Construction UK Ltd is part of the VINCI SA Group, a world leader in concessions, construction, facilities and associated services. VINCI Construction UK Ltd delivers a comprehensive service from project inception through design, manufacturing and construction to operation and maintenance. The scope of this policy covers all UK operations.

We strive to deliver sustainable solutions guided by our values and with our 'together' manifesto we engage with our teams, customers and supply chain for the benefit of those stakeholders in the wider community and environment in which we work and live.

It is important to us to emphasize the social, economic and environmental impact of our business in everything we do, and this policy reflects our commitment to ensuring that sustainability is considered through all our business decisions.

A framework of supplementary subject-lead policies\* and codes embed sustainability in our business. Below are some of the overarching sustainability objectives of VINCI Construction UK Ltd:

- Offer career development, supporting our teams to be diverse, engaged, motivated and competent - together working towards the sustainable success of our business.
- Engage positively with civic projects and the local communities in which we work, both through specific project engagement and through company-wide initiatives.

- Deliver sustainable profitable growth while satisfying our ethical, legal and contractual obligations.
- Improve resource efficiency, sustainable consumption, and production, throughout the whole supply chain from design through to operation.
- Encourage ideas and innovation, internally and with our supply chain, that can create financial savings and benefit our customers, society and environment.
- Actively promote sustainability in our industry through the industry associations, partnerships and organisations we support, including Build UK and the Supply Chain Sustainability School.
- Demand sector-leading Health, Safety, Environmental and Quality performance from our own teams and our subcontractors.
- Integrate our sustainability goals throughout our operations.
- Commit to measuring our impact through Health, Safety, Environmental and Quality performance data, employee engagement surveys, customer satisfaction feedback and our financial performance.

This policy will be reviewed annually, and be adapted if changes to the company occur.
